BREAKING NEWS!

SECRET DATE!

Guess whose hotel room Jen was visiting...very late at night

- I feel more comfortable in longer nightgowns, rather than shorter ones.
- I'm girly — I love lace, satin and pretty colors.
- Check out new lingerie lines — Spoilt is one of my recent discoveries. Their camisoles are feminine and sexy, and can be worn day or night.
- I shop better alone, but I ask the salespeople lots of questions.

PRECIOUS BAG
Delicate features like beading and a chain strap make this an after-five piece **Rafe**; \$250, Henri Bendel, rafe.com

"Bias cuts work for Erika because they float over her body," says Henri Bendel's Michael Palladino

PEARL NECKLACE
A quartz pendant makes a simple single strand a standout **Mindy Lam**; custom order, Henri Bendel, 212-247-1100

SILK SLIP
With the right accessories, a slip doubles as a sweet cocktail dress **Little Joe** by Gail Elliott; \$188, Henri Bendel, 212-247-1100
